If you are unable to attend the supply drop-off, you are welcome to bring all items with you to meet the teacher or on the first day of school. Supply Drop-Off is an opportunity to help teachers get classrooms organized and student supplies put away before the first day.

My name is Tamara DaLuga, and I am excited to be stepping into the role of Lunch Coordinator this school year.

I am looking forward to working with you to help make our lunch program run smoothly.

We look forward to offering our catered lunches to you beginning the week of Monday, August 24th. All meals include bottled water, chips, and an applesauce, yogurt, or fresh fruit. We ask that all orders be completed by 8 pm on Sunday, August 23rd. After 8 pm, ordering will be locked. Remember that you will have to search for the days on the calendar.

Your choices are automatically saved, even if you do not pay on the spot.

If you need to make any changes or your child is out sick, email me by 8 am so I can cancel your order and credit your account. Credit card payments are paid immediately when the order is placed, and you can preload for future orders. If you pay with a check/cash, click on the desired food options, then promptly turn in your payment to the school (use an envelope and be sure to designate the week for which you are paying, the child's name, and grade level). I will enter those manually into the system. Please note that any money remaining in your account from the 2025-2026 school year will be carried over to the 2026-2027 school year.

If you have a new student who is not in the EZ School system, go to Parent Login, then click Sign-Up Today! Once you have signed up (and no Parent ID is required), I will be able to activate the account (within 24 hours) so that you can place an order.

If you have any questions, please get in touch with me at tdaluga@cambridgeacademy.org or the front office at 864-229-2875 ext. 117.
