Painting the rock:

**You are only allowed to paint the rock at the Cambridge Academy sign, not the one near the flagpole.**

Rock painting may begin after dismissal on the Friday that your date range begins. You are responsible for providing all materials for decorating the spirit rock. Please use only acrylic or latex paint for painting the rock, and only paint the front of the rock. You are expected to ensure the area around the spirit rock remains clean and free of trash and debris. All spirit rock decorations must meet the same standard we would expect of any school sponsored sign, attire, events, etc.

Thank you to the Pitts Family with Environmental Landscaping for donating the rocks!
