# Inclement Weather Information

## How do we decide when to delay or close school?

. Any decision to close or delay school is made with great care, based on the most accurate and up-to-date information available. And always with the safety of our students, families, and staff as our top priority.

## How do we announce school delays and closings?

Post on Facebook

## Will the days missed be made up?

We would implement an e-learning day on a scheduled day off.

For example, if we had a snow day on January 16, we may schedule an e-learning day for February 13.
