

COUGAR CLUB MEMBERSHIP

Dear Cambridge Families,

We want to thank those of you who have supported the Cambridge Academy Cougar Club in the past and welcome those who would like to join for the first time. Our Athletic Program provides 5th - 12th grade students the opportunity to participate in extracurricular athletics. A large majority of our Middle and Upper School students participate in at least one sport, and, as you may imagine, the funds allocated for the athletic budget does not meet all the needs of our students. The Cougar Club works hard to bridge that gap so that our teams and individual athletes have the equipment, supplies and support which are needed to provide a safe and competitive playing field. Cambridge Academy hopes that you will consider joining this effort to support our teams. We look forward to another successful athletic year and to seeing you at many of our games.

Thank you for your support!
The Cambridge Academy Athletic Department
