

STUDENT DRIVER INTENT FORM 2024-2025

Student Driver Policies

Upper school students with a valid South Carolina Driver's License may drive themselves to school and park their car on campus during the school day. Students driving to school must inform the Upper School Division Leader of their intent to park on campus during the school day by completing the Student Driver Intent Form. Student drivers are required to park in the gravel lot behind the school (*unless directed otherwise by school administration*). Student drivers must follow the same driving rules outlined in the handbook for parents. Students not adhering to school rules, caught driving in a reckless manner, caught speeding on the roads surrounding the school, or caught approaching the school with loud/inappropriate music will have driving privileges revoked.
