Highlight of the Month

Field Day

Field Day is an event we have every year here at Cambridge Academy. It marks the end of the school year. Here are some fun facts about Field Day.

Field Day includes delicious food and exciting games. We have kickball, egg walk, and tug-of-war, three-legged race, sack race, water balloons, and more. For the little kids, we will have a bouncy house. For food, we'll have hot dogs, snow cones, and walking tacos.

The event helps students practice teamwork and social skills. The bonus is that everyone has a wonderful time. P.S. We are always looking for parent volunteers to help at game stations! Interested in helping? Email ccalvert@cambridgeacademy.org.

Message from the Head of School

Did you know that you're never too young or too old to learn something new? Every time you try, your brain is growing stronger. That's called having a growth mindset. It means that you believe you can get better with practice, effort, and patience. So I want to encourage you that even if something feels tricky, don't give up. Keep going, ask questions, and try again! Aim high, Cougars!

A MAGIC DOG

What do you call a magic dog?

A labracadrabrador

THE LOST CAT

We can't find the cat,
We don't know where she's at,
Oh, where did she go?
Does anyone know?
let's ask this walking hat.

This Month in Pictures/Art

K-2 created a beautiful bird with her nest and eggs.

K-4 created a beautiful quilt.

A big thank you to Thelma for always creating a new Cougie for the season.

The art work this month comes from a 4th grade student Eva Pan.

Sports Feature

Track

Cross country / Track is about a team of 10-20 people running in nature, terrain, grass, or indoors during autumn. Also, it is 7.5 miles long or 12 km. Track starts in March and ends next year in May.

The history of track started in the Olympic Games in 770 B.C. in Ancient Greece.

Soccer World Cup
